Auburn Folsom Road survey shows that the slope vs. height charts, parts didn't qualify, but can look at a limited section. M/S: Richardson moved as time permits to do a more confined survey and check to see if it meets criteria for a grant application.

7. **Traffic Speeding & Parking Issues on Pinecrest Avenue @ Pacific Street (Railhead Park impact)**  
Mark Smith, 100 Pinecrest Ave, Auburn, CA 95603

**8. Signage, Maintenance, and an Adjusted Speed Limit on Robie Drive Near Auburn State Recreation Area**

Thomas Toy & Mehrey Vaghti, 322 Robie Dr., Auburn, CA 95603 & neighbors

Mr. Toy related the Robie resident's concerns regarding the excessive speeders, high school students using this area during break time from school, foot traffic, children, road conditions, and horse traffic. They felt that possibly signage of 25 mph or less, unless otherwise posted might help.

Harris will speak with Officer Dalton regarding the influx of students during school breaks, and Officer's Dalton and Lawicka will make their presence known in the area for about a week, and then once a week after that. Residents were instructed to phone the Police Department/SRO when kids were present. Traffic Officer Lawicka educated the Robie residents how surveys sometimes can work against the efforts to lower speed limits.

Another issue is the width of the road and were street sweepers allowed on the street? Warren will check on this. This item will be carried over as an action item on the October agenda. We'll control surveillances, review area for signage, right of way, and at this time no speed survey. M/S: Warren/Richardson.

**9. Railroad Quiet Zones - Warren update**

This item will carry over to the next meeting.

**10. 3-Hour Parking Sign Near Yellow Loading Zone at 1134 High Street

Need more information, but it looks like we can remove the loading zone at 1134 High St and research removing the one in front of 1130 High St. M/S: Harris/Richardson.

3 hr parking signs in Old Town aren't consistent; we'll need to look at previous notes and speak with OTBA about removing signs from Brewery Ln and up the hill.

Pine St by Elks need to look at painting curb line red or marking curb lines to center by the apartment building. M/S; Harris/Warren
